There lived a Smurf, a lively dwarf,
 He liked to sing a lot.
 «To go to Rio would be nice»,
 One day there came a thought.
 A well-known singer, he began
 To teach Rio birds to sing,
 But no bird choir could be heard,
 Just loud twittering.
 But no bird choir could be heard,
 Just loud twittering.

The Smurf worked hard for many days,
 He taught all birds around.
 And one day at the break of dawn
 The choir began to sound.
 All flowers nodded their heads
 More gladly to this song,
 And with a warble by the creek
 A goldfinch sang along.
 And with a warble by the creek
 A goldfinch sang along.
